

# Bloodborne

## The Hunter App

## Track & Share your Experience

See notes other users have left around Yarnham. You can add your own wisdom by leaving a note yourself. Keep track of blood echos, inventory, and stats as you take on the world.

## Stay Connected

Connect, battle, and adventure with other users. Save locations by connect your device to our many lamps across Yarnham.

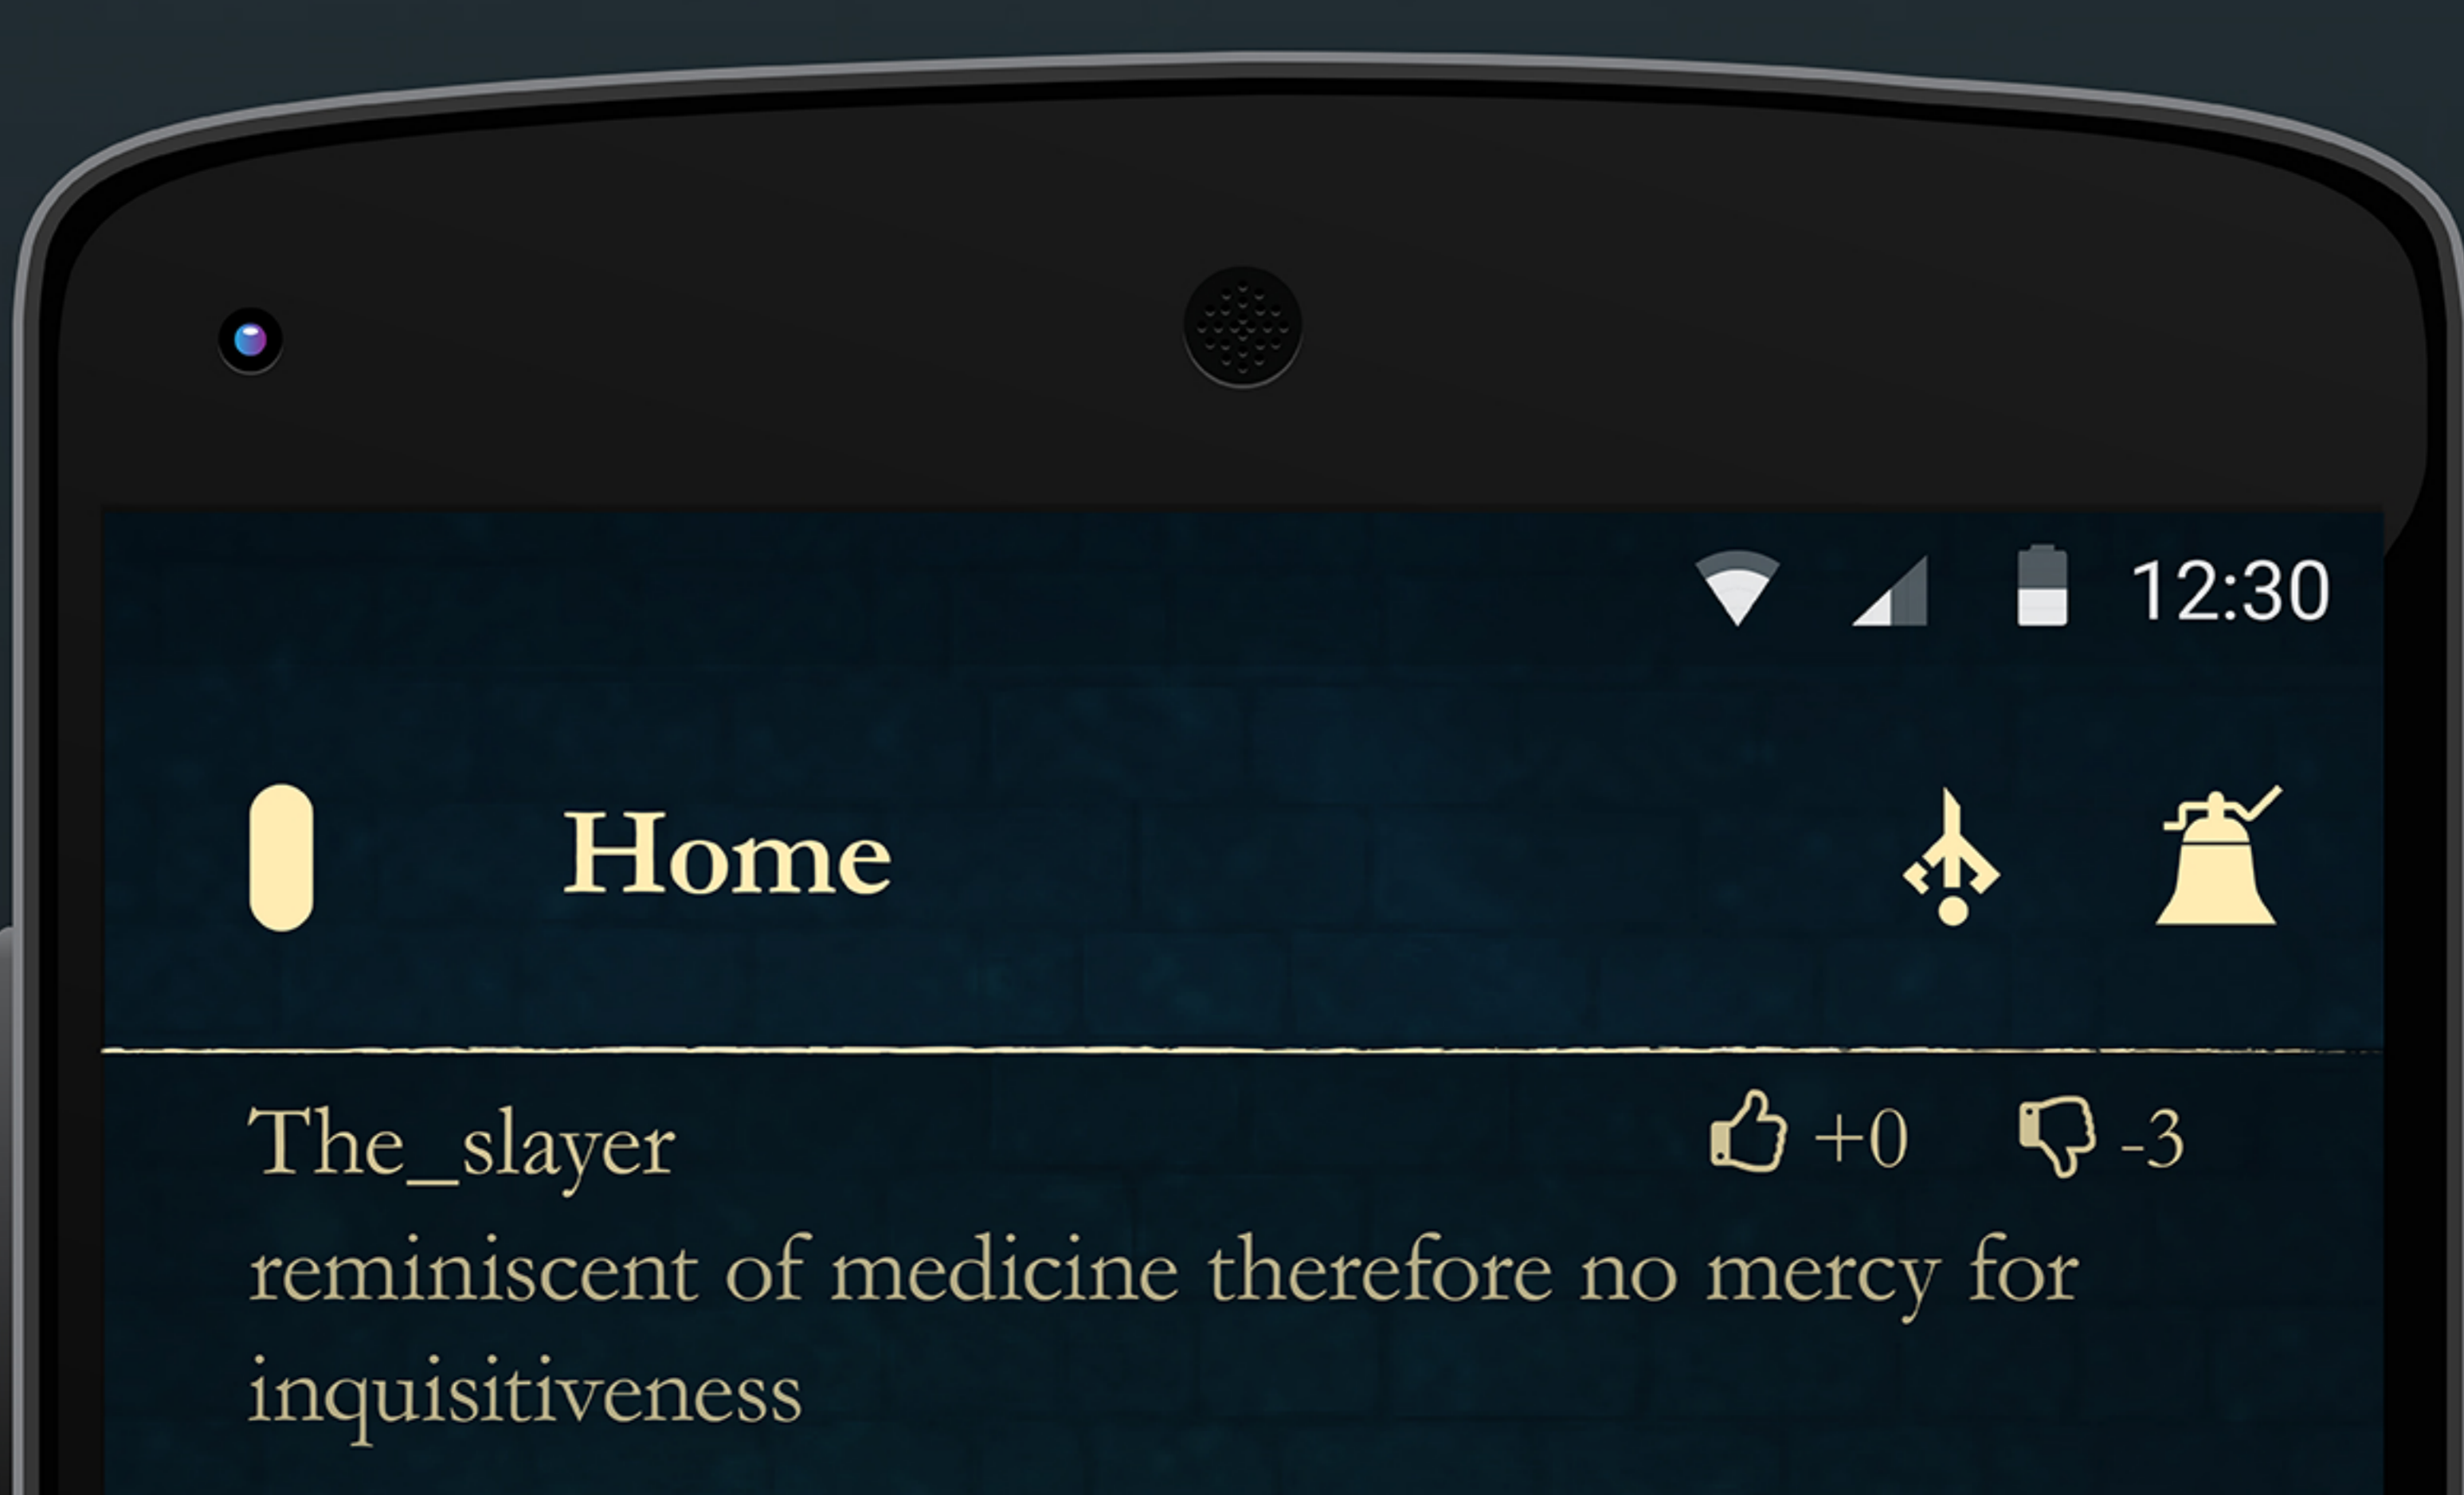

## Safe and Secure Transactions

Make blood echo purchases by tapping with your device. All work benches come standard with "tap" technology. All transactions occur on your device letting the work bench take care of the rest.

## One Tap Locators

Lost your blood echos? Wanna to help out a user or destroy them? Both are just a tap away. Locate where you lost your echos or make yourself available to be summoned or invaded.
